

## Leeds Festival Chorus – Individual Patrons Scheme

From this year, we are creating three tiers of Patron:

1. **Silver** (£300) (Subscription Patron): this includes the following benefits:
  - Advance notice of concert program
  - Two tickets for each of our concerts
  - An invitation to join the Chairman for pre-concert and -rehearsal drinks.
  - A complimentary programme.
  - A quarterly newsletter.
  - Credit on our website and in the program
  - Invitations to rehearsals and special events throughout the year.
  - Invitation to a festive Christmas evening to sing carols with members of the choir.

*Basically this tier just covers the cost of the tickets for our four annual concerts, but the money comes to the Chorus.*

2. **Gold** (£500): this includes all the benefits of being a Silver patron but it also includes a donation of £200 to the choir. This money would be spent on helping to fund future concerts and engagement of soloists etc.

3. **Diamond** (£1000): this includes all the benefits of being a Silver patron. The extra £700 would significantly help the choir with future planning of concerts and new commissions.

Autumn 2015.
